Birthday 90th of Mr. Nelson Mandela !

Dear Sir Mr. Nelson Mandela !

Dear MS Thoko Mavuso !

Today Mr. Nelson Mandela will celebrate his 90th birthday.

This is the reason that we, **the John Baptist Mission of Togo, Africa (West Africa)** with its Branches in Canada, the United States of America (U.S.A.), France, Togo, (Headquarter), Burundi and other states in Africa and Germany wish you,

Sir, Mr. Nelson Mandela only the best for your 90th birthday.

We wish Mr. Nelson Mandela also the grace, love, health, protection, mercy and compassion of the HOLY GOD of Israel and our LORD Jesus Christ, too.

John Baptist Mission of Togo and Reverend Yawovi Nyonato, our founder and president and we altogether are taking **care for 300 children in our home for children and orphans in Africa.**

If the **Nelson Mandela Foundation** would be able to support a little our orphan and children ministry for poor children and women in AFRICA (WEST AFRICA) we would be very thankful and appreciate all kind of even little financial support which can be made easily with Money Gram or Western Union to

More and a lot of information you will find on www.johnbaptistmission.org . We are helping poor and disabled people in Germany also. It is sad, that we have been not able to find any supporter in the country of Germany, except one man from Germany and one man from the country of Cameroun.

SPECIAL REQUEST would you **PLEASE** email us a photo of Mr. Nelson Mandela FOR FREE publication. We want to publish on MJB Mission News on www.johnbaptistmission.org/mjbmissionnews a special coverage and also on British Newsflash Magazine and on www.3mnewswire.org .

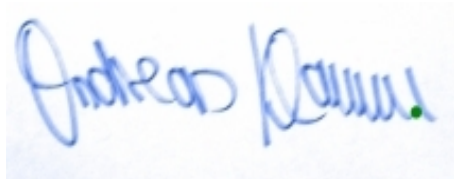

Thank you in advance.

Thank you for all your good works !

We wish you well !

Shalom !
