Dear U.S. Ambassador Mr. David B. Dunn !

We would like to bring to your attention the case of the missionary, Evangelist and founder of John Baptist Mission of Togo, Reverend Yawovi Nyonato from the country of Togo. He is the founder of John Baptist Mission of Togo with its international branches **in the United States of America, in several states of Africa, Canada, France, the United Kingdom and in Germany.** The U.S.A. Director, Mrs. Bettinan Stevens from Maine, U.S.A. has visited until July 21, 2008 the headquarter in the country of Togo. More information about the U.S.A. Branch of John Baptist Mission of Togo you will find on the internet www.johnbaptistmission.org/usa .

In the country of Togo Reverend Mr. Yawovi Nyonato has only GOOD reports. He is fighting the every day's fight to help in the child care centre of John Baptist Mission of Togo, 300 children many of them are orphans, to survive which do suffer because of POVERTY beyond description.

Reverend Yawovi Nyonato needs to attend the gathering of believers in GOD, believers in Christ Jesus and religious representatives of many different kind, called **"WORLD FAITH CONFERENCE"** in the city of Wisconsin, in the country of the United States of America (U.S.A.).

As a journalist working for international agencies, as publisher and editor of British Newsflash Magazine est. 1986 and even as missionary and the director of the United Kingdom Branch and the German Branch I certainly do support the mission journey of Reverend Yawovi Nyonato to participate the "World Faith Conference 2008" in the city of Wisconsin, U.S.A.

The country of the United States of America (U.S.A.) have made political and religious freedoms important elements in its diplomatic relations and we are gravely concerned that it seems that Reverend Yawovi Nyonato perhaps could be in the danger because he is not rich be hindered to have such basic rights granted.

In the light of these concerns, **we respectfully ask you to support religious and political freedoms and to GRANT ACCESS** to the United States of America (U.S.A) and the **required VISA** to access the U.S.A. for a religious leader, Evangelist and Reverend Mr. Yawovi Nyonato to participate an international gathering of believers in God and in Christ and religious leaders from all over the world.

Reverend Yawovi Nyonato from the country of Togo wants to participate the mission conference and gathering "**WORLD FAITH CONFERENCE**" which will be held from July 29-31, 2008 in Wisconsin, U.S.A.

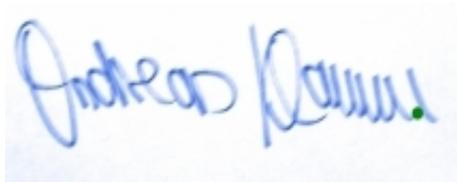

After July 31, 2008 Reverend Mr. Yawovi Nyonato will travel back to the headquarters in the country of Togo in Africa because he has important tasks to fulfil with the mission and the child care centre for more the 300 children, poor and disabled women and men.

In the United States of America (U.S.A.) are many U.S. Citizen which will be happy to welcome Reverend and Evangelist Reverend Yawovi Nyonto in the United States of America (U.S.A.) Around the globe there are many other people which do support the participation for Reverend Yawovi Nyonato of "WORLD FAITH CONFERENCE" in Wisconsin, next week.

Hereby I ask you, PLEASE, to support religious and political freedoms and to support the important efforts of an Evangelist to find help and aid for more then 300 children which suffer because of poverty beyond description. Your help and support for people in great need and for religious and political freedoms is very much appreciated.

Shalom !

Sincerely,

Andreas Klamm, Journalist,
