VISA to visit the USA for Reverend Mr. Yawovi Nyonation, evangelist and missionary – EXPRESSION OF SUPPORT AND REQUEST TO SHOW GRACE AND MERCY UPON A MAN OF GOD

Dear U.S. Ambassador Mr. David B. Dunn !

We would like to bring to your attention the case of the missionary, Evangelist and founder of John Baptist Mission of Togo, Reverend Yawovi Nyonato from the country of Togo. He is the founder of John Baptist Mission of Togo with its international branches **in the United States of America, in several states of Africa, Canada, France, the United Kingdom and in Germany.** The U.S.A. Director, Mrs. Bettinan Stevens from Maine, U.S.A. has visited until July 21, 2008 the headquarter in the country of Togo. More information about the U.S.A. Branch of John Baptist Mission of Togo you will find on the internet www.johnbaptistmission.org/usa .

In the country of Togo Reverend Mr. Yawovi Nyonato has only GOOD reports. He is fighting the every day's fight to help in the child care centre of John Baptist Mission of Togo, 300 children many of them are orphans, to survive which do suffer because of POVERTY beyond description.

Reverend Yawovi Nyonato needs to attend the gathering of believers in GOD, believers in Christ Jesus and religious representatives of many different kind, called **"WORLD FAITH CONFERENCE"** in the city of Wisconsin, in the country of the United States of America (U.S.A.).

As a journalist working for international agencies, as publisher and editor of British Newsflash Magazine est. 1986 and even as missionary and the director of the United Kingdom Branch and the German Branch I certainly do support the mission journey

Notre mission, réssuscité les nations mortes comme l'a fait Jean Baptiste envers Israël

of Reverend Yawovi Nyonato to participate the “World Faith Conference 2008” in the city of Wisconsin, U.S.A.

The country of the United States of America (U.S.A.) have made political and religious freedoms important elements in its diplomatic relations and we are gravely concerned that it seems that Reverend Yawovi Nyonato perhaps could be in the danger because he is not rich be hindered to have such basic rights granted.

In the light of these concerns, **we respectfully ask you to support religious and political freedoms and to GRANT ACCESS** to the United States of America (U.S.A) and the **required VISA** to access the U.S.A. for a religious leader, Evangelist and Reverend Mr. Yawovi Nyonato to participate an international gathering of believers in God and in Christ and religious leaders from all over the world.

Reverend Yawovi Nyonato from the country of Togo wants to participate the mission conference and gathering “**WORLD FAITH CONFERENCE**” which will be held from July 29-31, 2008 in Wisconsin, U.S.A.

UPDATE: Reverend Yawovi Nyonato has written to me and wrote me “that the U.S. Embassy has some fears...that Reverend Yawovi Nyonato wants to stay in the US.”

The ARE CLEAR indications that Reverend Yawovi Nyonato ONLY wants to participate the “WORLD FATIH CONFERENCE 2008.”

In the past I have been working as US Installation Security Guard for the U.S. Armed Forces because of some financial needs.

One of my supervisors was an **AMERICAN POLICE OFFICER.**

You should know, that Reverend Yawovi Nyonato is the founder and president of John Baptist Mission of Togo and its international branches.

He wants NOT to flee and even if he wanted to he is just not able to do so because as a news director of the international newsdesk we have shared vital informations UPON REQUEST of Reverend Yawovi Nyonato about our president and founder of John Baptist Mission of Togo. His photo is available to 260 millions of American citizen. He would be not able to hide and even not able to flee, even if he wanted to.

He has promised me in an email, that he only wants to meet brothers and sisters in Christ Jesus and wants to RETURN to the country of TOGO, West AFRICA.

As this man is a **believer in CHRIST he has not only to GIVE AN ACCOUNT TO THE U.S. authority but to the HOLY GOD OF ISRAEL and our LORD Jesus Christ also.**

NOW if you have a **copy of the bible in your office or the embassy**, ANSWER me only one question. PLEASE. It might perhaps possible that a man is hiding from the U.S. authorities **but which man or woman can hide from the presence of the living GOD and the LORD Jesus Christ?**

Notre mission, réssuscité les nations mortes comme l'a fait Jean Baptiste envers Israël

You do know the truth and the answer: **There is no man or woman which can hide from the presence of the only true and LIVING GOD, because as you know GOD is ALLMIGHTY** and just every place even in your office, no matter if you want it or if you do not want it.

You can call the President of the United States of America, Brother in Christ George Walker Bush, and he would confirm to you, that he even as the president of the USA is not able to hide from the presence of GOD while he is surrounded by so many officers of the NSA, NSB and Secret Service, he is still not able to hide from the presence of the true and only living GOD. If you do not believe us, than believe your president or if you PREFER than believe GOD and his reports which will you find in the copy of the bible, PLEASE.

But if you have still doubts although GOD is present with you and us, then what about the idea that Reverend Yawovi Nyonato will sign an agreement with the U.S. embassy that two FBI agents or Police officers could be with him at all time even could participate the mission conference in Wisconsin in the U.S.A.

The officers could escort him from the airport in the USA and even back to the airport in the USA when he is travelling back to the country of Togo in Africa.

However you should know that Reverend Yawovi Nyonato is also married or will soon in the country of Togo and so far as I got the information he is NOT PLANING to leave his wife only for trying to stay illegally in the USA.

As he has written: He only wants to attend the WORLD FAITH CONFERENCE 2008, even if he would miss one day.

After this he will return to the country of Togo. Now what about the idea he shall sign a special agreement with the U.S. Embassy that he is going to attend the mission conference. On August 1, 2008 he than will leave the country of the USA and return to Togo. He shall sign an agreement, give the promise and declare in the LOCAL U.S. Embassy of Togo before 2 or 3 witnesses, that "...he in the name of Jesus Christ of Nazareth and the HOLY GOD OF ISRAEL he only will attend the mission conference in Wisconsin, meet brothers and sisters in Christ in the USA and after the mission conference he will travel back to the country of Togo in AFRICA." He shall give the agreement, promise and proclamation before 2 or 3 witnesses in the U.S. Embassy and before the LORD JESUS CHRIST and before GOD.

Even if U.S. Authorities would fail you can HAVE FULL ASSUCRANCE FROM GOD and the LORD Jesus Christ, that Reverend Yawovi Nyonato will travel back to Togo, if he is going to give this promise. Now let him confirm this with "your Yeah means a Yeah" (meaning Yes means Yes) and you "no means no". Do not swear because otherwise it will be not of GOD according to the HOLY SCRIPTURES, the Bible.

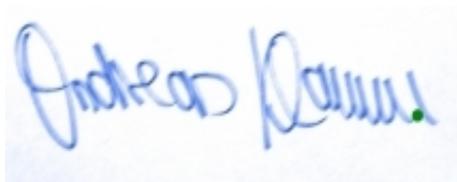

If you have no copy of the Bible ask in the chapel for an NAS bible or the King James Version of the bible you will find on www.johnbaptistmission.org/bibleenglish .

PLEASE, show thy GRACE and COMPASSION. In the past I have tried to explain to so many people that the USA is a nation under GOD. What people shall now be thinking if it comes to be known, that the USA allows to an Evangelist and missionary, Reverend Yawovi Nyonato not to travel to an international mission conference in the United States of America (USA).

Hereby I ask you, PLEASE, to support religious and political freedoms and to support the important efforts of an Evangelist to find help and aid for more then 300 children which suffer because of poverty beyond description. Your help and support for people in great need and for religious and political freedoms is very much appreciated.

Shalom !

Sincerely,
